WHITMO

OUR FAMILY ARE HERE, TO HELP YOURS

The company was first established in 1909 and is currently in its fourth generation of ownership, under the personal attention of Ross, Greg and Jodie Hickton. Our family and our staff are here to guide and support you with the utmost care and guidance following the loss of a loved one.

The Hickton family have been funeral directors since 1909. The family business started in Cradley Heath in the Black Country, originally as local builders, but also the conducting of funerals. Over time, the company gave up the building arm and dedicated itself as a funeral directing business.

The company has funeral home branches across the West Midlands, enabling them to serve all areas with care, dignity and respect. Many funeral directors in the region have sold their companies to much larger corporate entities, losing the family ownership and care only a family-owned business can give. The Hickton family saw this happening and grew their business to ensure families have a family-owned funeral director to turn to in their time of need. They uphold their age-old traditions with a modern 21st century view on death, bereavement and business management.

Originally the local undertakers of Cradley Heath, they are now one of the leading funeral directors in the West Midlands with funeral home branches in Cradley Heath, Halesowen, Bartley Green, Castle Bromwich, Penn and Codsall. In early 2023, the family funeral business opened a new funeral home in Kidderminster and a further location on Comberton Hill in Kidderminster opened in 2025.

The family also own Jones Memorials of Dudley, a long-established memorial stonemasonry company dating back to 1881, able to provide quality memorial headstones and grave services.

1ST GENERATION

THE LATE JOSEPH ELEY WHITMORE HICKTON

1885-1961

Joe was a well-known carpenter, builder, councillor and one-time mayor of Rowley Regis. He founded the funeral business in 1909 and in 1921 moved to Lower High Street where we are today.

THE LATE ROSE HICKTON

1890-1952

Rose, wife of Joe, was the local midwife and supported Joe with the business. The local saying at the time was that "she brought them in to the world, and he takes them out" - people still mention this today.

2ND GENERATION

THE LATE JOSEPH WILLIAM WHITMORE HICKTON

1921-2000

Bill came into the business in 1937 and worked closely with his father. Upon Joe's retirement, Bill took over the business and it flourished further. Bill is fondly remembered today by the community.

3RD GENERATION

THE LATE TREVOR ELEY WHITMORE HICKTON

1955-2024

Trevor came into the business in 1971 working with his father Bill and helped build the business to the strength and size it is today. Trevor passed away in 2024 and is sadly missed by the family and the local community.

4TH GENERATION

ROSS WHITMORE HICKTON

1990

Ross came into the business in 2006; he learnt and worked in all aspects of the business. Today he conducts and looks after families on the day of the funeral, and manages the day-to-day running of the company.

GREG WHITMORE HICKTON

1992

Greg joined the business in 2010; he learnt and worked in all aspects of the business. Today he mainly conducts and arranges funerals across the company.

JODIE LOUISE WHITMORE HICKTON

1994

Jodie joined the business in 2014, learning how the office and the funeral arrangement process worked. Today she is based at Cradley Heath and manages all of the funeral arrangers across the company.

REGISTERING AND CERTIFYING A DEATH

The process to verify, certify and register a death in England and Wales is as follows for each location where death occurs.

What to do if someone dies at home

1. With the death being expected, we recommend you call their GP surgery immediately or the out-of-hours doctor on 111. Once in attendance, a doctor will verify the death. If the death is sudden, we recommend you call 999 immediately, and they will advise on whether they are sending paramedics, police or a doctor to verify and attend the death.
2. Once the death has been verified, you may call us on any of our funeral home numbers to attend the death and transfer the deceased person into our care.
3. The GP, or a Medical Practitioner who has seen the deceased within their lifetime, will complete a Medical Cause of Death Certificate (MCCD); this may be issued at the time of verifying the death or in the following days. If the death was sudden, suspicious or there is no clear cause of death, the death may be referred to His Majesty's Coroner.
4. Once the MCCD has been completed, it will be emailed to the area Medical Examiner's office to be scrutinised and approved. The Medical Examiner or their officers will be in touch with you to confirm the circumstances surrounding the death. Once approved, the MCCD will be emailed to the Registry office, to enable the death to be registered.
5. Once the MCCD has been issued to the Registry office, you will have five days to register the death.

The registrars will be in touch.

What to do if someone dies in a nursing or care home

1. The home staff will call the GP or out-of-hours doctor to attend and verify the death; once this has happened, the staff at the home will call us to transfer the deceased into our care, if you have already nominated us as a funeral director. If not, they may ask you as the family to contact one direct.
2. Once the death has been verified, you may call us, or the home may already have on file our funeral home numbers to attend the death and transfer the deceased person into our care.
3. The GP, or a Medical Practitioner who has seen the deceased within their lifetime, will complete a Medical Cause of Death Certificate (MCCD); this may be issued at the time of verifying the death or in the following days. If the death was sudden, suspicious or there is no clear cause of death, the death may be referred to His Majesty's Coroner.
4. Once the MCCD has been completed, it will be emailed to the area Medical Examiner's office to be scrutinised and approved. The Medical Examiner or their officers will be in touch with you to confirm the circumstances surrounding the death. Once approved, the MCCD will be emailed to the Registry office, to enable the death to be registered.
5. Once the MCCD has been issued to the Registry office, you will have five days to register the death.

The registrars will be in touch.

What to do if someone dies in a hospital or hospice

1. The bereavement team at the hospital or hospice will generally contact the next of kin to inform them of the death if family are not present.
2. The Bereavement Office at the hospital will be in touch regarding the next steps which will be as follows;
3. The Doctor from the hospital, or a Medical Practitioner who has seen the deceased within their lifetime, will complete a Medical Cause of Death Certificate (MCCD); this may be issued at the time of verifying the death or in the following days. If the death was sudden, suspicious or there is no clear cause of death, the death may be referred to His Majesty's Coroner.
4. Once the MCCD has been completed, it will be emailed to the hospital Medical Examiner's office to be scrutinised and approved. The Medical Examiner or their officers will be in touch with you to confirm the circumstances surrounding the death. Once approved, the MCCD will be emailed to the Registry office, to enable the death to be registered.
5. Once the MCCD has been issued to the Registry office, you will have five days to register the death.

The registrars will be in touch.

NOTES ON THE ABOVE

Deaths must be registered in the borough where the death happened. The Medical Examiner's office will confirm when you can register the death. The Register Office will usually contact you to make an appointment to register.

Deaths which take place outside of hospital will be referred to the Medical Examiner for the NHS Trust to which their GP surgery is part of.

Deaths which are reported to HM Coroner are reported to the Coroner's office for the borough the death occurred in.

REGISTERING AND CERTIFYING A DEATH

How to register a death

You will need to take, or ensure the registrars already have:

- ID for the deceased – this could be a passport, NHS number, driving licence, council tax bill (take as many as possible).

Once registered, you will then be given:

- Certificate of Registration of Death (form BD8) – you may need to fill this in and return it if the person was getting a State Pension or benefits.
- Official copy of entry of death certificate – 'The Death Certificate'.
- Registrar's Certificate for Burial or Cremation (Green Form) – we as the funeral director will need this ASAP. Please ask for it to be emailed to us.

If the death is referred to HM Coroner

In a number of cases – where the cause of death is unclear, sudden or suspicious – the Medical Examiner, hospital or registrar will report the death to the coroner. The coroner must then decide if there should be further investigation and post-mortem to find the cause of death. The registrar cannot register the death until the coroner's decision is made.

In such cases, the Coroner's certificate will be issued direct to the Registrar from the Coroner's office and the relatives must then go to the Registrar to register the death when instructed to. When an inquest is to be held, the death cannot be registered until the conclusion of the inquest, but an interim death certificate will normally be issued at the opening of the inquest to allow the funeral to take place.

Most people expect to be very upset or distressed when someone close to them has died. What takes many people by surprise is how strong the emotions can be, how they can change very quickly, and how long they last.

People around you may seem to think you should be 'back to normal' after a few weeks or months. You might appear to be your usual self to other people, but you know that on the inside, you're not even sure what normal is anymore.

Everyone grieves in a way that is unique to them and their relationship with the person who has died. Well-intentioned people may say to you, 'time is a great healer.' Sometimes, however, it can seem that life is more difficult as the weeks and months go by.

ARRANGEMENTS CHECK LIST FOLLOWING ARRANGEMENT

During the initial arrangement

- Have you decided on hymns and/or music?
- Order of service sheets - have you arranged your own or would you like us to produce them? If we are to produce them, we would need photos if you wish. These can be emailed, sent on WhatsApp or given to us.
- Would you like the funeral cortege to leave from an address? If so, which address and is there any route to take?
- Where is the funeral cortege to return you back to after the funeral?
- Would you prefer our staff to bear the coffin, or are there family and friends who wish to?
- Is the death and funeral to be announced in any newspapers, online or on social media in the form of an obituary notice?
- Do you want any bespoke or alternative transport for the funeral?

Floral tributes

- Have you arranged your own or would you like us to arrange them?
- Tribute cards can be brought back to the office prior to the funeral or given to our staff on the day when we arrive at the house.
- Are the flowers to be delivered to the funeral home or an address where the funeral is to leave from?

Donations

- Any donations raised will be handed back to you after the funeral, in a sealed collection box provided. It is then your responsibility to handle and forward the collection to your chosen charity.
- Unfortunately, we are unable to handle the cash element of this process. If you wish to bank any cash and raise a cheque for the amount, we are happy to send that off to the chosen charity on your behalf along with any other cheques received.

Viewing your loved one in the chapel of rest

- Is there anyone wishing to see your loved one in our chapels of rest? This needs to be made by appointment. If you have chosen to have your loved one dressed, we will require clothing. Or we can provide a gown.
- We would also require an up-to-date photograph of your loved one, so we can prepare and dress your loved one as they would generally look.
- Our chapels of rest are generally open Monday to Friday during office hours.
- Weekend visits are by appointment only.

In the days and weeks following the funeral

- We shall send out our final invoice 5-7 days after the funeral if there is a balance outstanding on the account.
- If it is a cremation taking place, and you have requested to collect the cremated remains (ashes) or have them buried, please contact us when you wish to receive them. We will always collect the ashes a few working days after the cremation, once the paperwork at the crematorium has been completed. We will also contact you once in our care.
- If we have removed a memorial in order for the burial to go ahead, we will contact you within 4-6 weeks with regards to your memorial report and to discuss the additional inscription and/or renovation work required.
- Please note: most cemeteries stipulate that the memorial cannot be re-fixed for a minimum of 6-12 months in order for the ground to settle, however during this time you can still arrange any work required should you wish.

GOLDEN CHARTER FUNERAL PLANS

What is the Independent Way funeral plan?

We offer the Independent Way funeral plan from Golden Charter. An Independent Way funeral plan allows you to pre-arrange the funeral you want, as well as giving you the opportunity to fix the cost of the funeral director's services included in your plan.

Examples of funeral director services you can include within your plan:

The services you select are guaranteed to be covered by your Independent Way funeral plan at the time of passing.

- Professional services and making arrangements for cremation or burial.
- Transportation of the deceased from place of death to the funeral director's premises, a chapel of rest or other suitable location. All plans cover the transport of the deceased to the chosen funeral director if you die away from home whilst on holiday in mainland United Kingdom.
- Caring for the deceased and attending to the preparation necessary to allow viewing, if requested by family or friends.
- Advice on the certification and registration of death and related documentation.
- Provision of funeral vehicles.
- Advice on bereavement counselling and aftercare support.
- The provision of a suitable coffin or casket, or the choice of an alternative from our coffin brochure.

Who can buy the Independent Way funeral plan?

Our plans are available to all UK residents, regardless of age or state of health. If you choose to pay by the instalment payment option, then you must be 78 or under when you apply.

How can I pay for my plan?

OPTION 1

Single payment option

You can make a one-off single payment for immediate cover.

OPTION 2

12 monthly payment option

If you would like to spread the cost, Independent Way funeral plans can be paid over 12 monthly payments by Direct Debit at no extra charge with a minimum £49 deposit. You will be covered once all payments are made.

OPTION 3

Instalment payment option

For a lower monthly payment, you can choose to spread the cost of your plan between two and 15 years. You will be covered after the agreed term of payment, as long as all premiums have been made. An instalment charge is included based on the term you select and is included in the overall cost of your funeral plan. This option includes the added benefit of our Golden Charter Pledge, which ensures that if you die at any time after you have made 12 payments and all payments are up to date, the benefit of your plan will be provided, with no further sums to be paid.

Third party costs

These are the costs for essential, non-funeral director services required to carry out a cremation or burial. They may include, but are not limited to, crematorium or cemetery fees, purchase of a burial plot, or the minister or officiant's fee.

If the amount you agree with your funeral director to include in your plan for third party costs does not fully cover these, then the extra will need to be paid at the time of your funeral by your family or estate.

The allowance included in your plan may grow over time and there would only be more to pay at the time of the funeral if the third party costs exceed the allowance when you buy your plan, or if the costs increase by more than the growth of your plan.

You can arrange a funeral plan in our funeral homes, at home or by purchasing on our website. Please scan the QR code to find out more.

PROBATE, WITH PEOPLE AT THE HEART

Compassionate Support. Clear Guidance. Fair Costs.
 Probate shouldn't feel like a cold legal process, it should feel human.

We're a friendly, independent Probate specialist offering personalised, transparent support to families at one of life's most difficult times.

We don't just tick boxes or hide behind jargon. We meet families in their homes, talk in plain English, and offer 24/7 support when they need it most. It's our job to make the complex feel manageable and the overwhelming feel understood.

What Is Probate?

Probate is the legal process of managing someone's estate after they die - this means handling their money, property, possessions, and any debts. It often requires applying for a legal document called a Grant of Probate or Grant of Letters of Administration, depending on whether there's a valid Will.

It can be a time-consuming and emotionally draining task, particularly while grieving. That's where we come in.

What's involved in Probate?

If there's a Will: Executors apply for a Grant of Probate and distribute the estate accordingly.

If there's no Will: Administrators apply for Letters of Administration and follow the Rules of Intestacy.

In either case: The process involves dealing with banks, selling property, valuing assets, paying debts, and finalising tax affairs.

Probate isn't always required - small estates (typically under £10,000 with no property) may not need it. But for most families, especially those involving property or joint assets, it's an essential step.

FAQs

When is Probate required?

Probate is usually required when the deceased person owned property solely in their name or had significant assets. Some smaller estates might not need Probate, depending on the value of assets and how they're owned.

How long does Probate take?

The duration of Probate varies, but it can take several months. Factors include estate complexity, any disputes, and the efficiency of the Probate process itself.

What's the role of an executor?

An executor is the person named in the Will to manage the Probate process. They gather assets, pay debts, and distribute inheritances as per the Will's instructions.

Are there taxes involved in Probate?

Yes, there can be inheritance tax considerations. Laurelo can help families navigate these complexities, ensuring they understand their obligations.

How do I start the Probate process?

Begin by registering the death, locating the Will, and valuing the estate's assets and liabilities. Laurelo's personalised approach ensures you won't miss any crucial steps.

We're proud to be different.

WEBCASTING AND VIDEO RECORDING OF FUNERAL

Most local crematorium chapels have the option of live webcasting and recording funeral services. We are also able to provide recording services at churches. Prices vary at locations, please ask your arranger for a cost.

VISUAL TRIBUTES

Most local crematorium chapels have the option of displaying visual tributes on a screen or projector. Prices vary at locations, please ask your arranger for a cost.

CREMATED REMAINS (ASHES) OPTIONS

When making arrangements for a cremation, there must be a decision made on what to do with the ashes (cremated remains). The below options are what is available.

Scattering

You can opt to have your loved one's ashes scattered at the crematorium which held the cremation, or at another crematorium where others may be scattered. We can arrange this for you. You can choose to attend the scattering or have the crematorium staff do it for you. Equally, we are able to attend with you and say a few words when the scattering is taking place.

You can also scatter the ashes in a favourite spot or place, as long as you seek permission of the landowner.

Burial

You can opt to have your loved one's ashes buried at the crematorium which held the cremation, or at a local cemetery or churchyard. We can arrange this for you. You can choose to attend the burial or have the crematorium staff do it for you. Equally, we are able to attend with you and say a few words when the burial is taking place. If it is a churchyard you choose to have the ashes buried in, the minister from the church would usually also be in attendance to say their religious words.

In most circumstances you would have to either own a grave or have a grave/plot in the cemetery or churchyard able to accommodate the burial. We are able to organise this for you and undertake any investigations to find an old family grave if need be.

We are able to provide a fitting memorial stone once the ashes are buried or add an inscription to an existing stone.

Keep at home

Some people choose to take their loved one home and keep them safe with them. This is perfectly normal and we can provide a nice urn, tube or casket for the remains to be kept in and transported home.

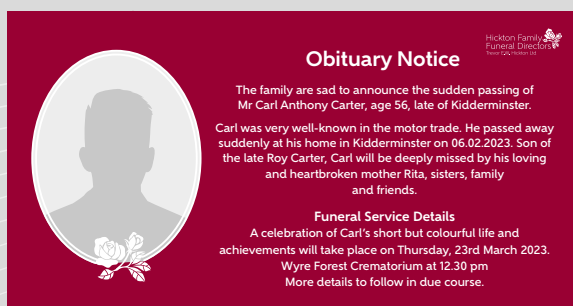

Other options

- Burial at sea
- Repatriate the ashes abroad
- Create a firework

MEMORIAL JEWELLERY AND KEEPSAKES

We offer a wide range of memorial jewellery and keepsake items. Within our funeral homes are display items from the below memorial jewellery specialists. A selection of the items can be viewed within our funeral homes or online by viewing the below websites.

We can delicately handle your loved one's ashes, separating a small amount which can be used for jewellery or memorial items. Please advise your funeral arranger that you may wish for keepsakes, we can then carry out the procedure and take care of any orders you wish to place. The timescale in which the items are produced vary depending on the company; please ask a member of staff for more information.

Cremated remains, hair and fingerprints can also be used to custom make the handmade pieces.

EverWith Memorial Jewellery everwith.co.uk

EverWith offers an extensive choice of pendants, rings, bracelets, lockets, cufflinks and earrings in a range of styles and designs to suit all tastes. Most of the memorial jewellery pieces are crafted from hallmarked 925 Sterling Silver. However, as even Sterling Silver can tarnish and discolour, each piece is coated with a Rhodium Plating that keeps the surface looking bright and shiny. Memorial jewellery designs are also available in solid 9k Yellow, White or Rose Gold, and the option of adding some real diamond dust in with the ashes to give a subtle sparkle. Ashes, hair and personalised engraving can be used to create an everlasting item

Legacy Expressions legacyexp.co.uk

We are here to also help remember and treasure those who are most important in your life. Offering a unique line of jewellery, ornaments, pendants and more, Legacy Expressions customises each product to perfectly fit your style and whatever memory you wish to treasure. We are able to place a loved one's fingerprint on jewellery, giftware and more, creating special one-of-a-kind keepsakes. Please ensure you inform Hickton Family Funeral Directors to take your loved one's fingerprint.

LOCAL DIRECT CREMATION

We are proud to offer a local direct cremation service. Direct cremation is a service where there is no funeral service. It is normally held early morning and is a very simple no-fuss choice of cremation, generally unattended.

We will arrange a date and time to suit our diary; this could be at short notice. On the day, we will arrive in a discreet vehicle and, with two members of staff and the assistance of the crematorium staff, convey the deceased to the cremator. We then collect the cremated remains in the days following the cremation.

We offer two direct cremation options:

- An unattended cremation option where nobody attends at all.
- An unattended cremation which includes preparation, dressing and viewing of the deceased with a short service in our funeral home.

As we are a local family-owned company who have been looking after funeral arrangements for over 100 years, we like to keep this offering local and ensure dignity for you and your loved one.

We are able to offer this service for families who have sadly lost someone at present and wish to arrange for a direct cremation now, or for those people who wish to plan ahead, pre-pay and arrange their funeral wishes.

Option A "Direct Local Unattended Cremation Package"

- Taking care of all necessary legal and administrative arrangements
- Transfer of deceased to our premises from within a 15-mile radius of office during office hours
- Direct Cremation Coffin

Payment required in full prior to date of cremation.

Delivery and arrangement of cremated remains to family, attendance at burial ground, or to attend scattering following a direct cremation **£75.00**

PAYING THE FUNERAL ACCOUNT AND OPTIONS

Make
payment
here

As detailed in our terms of business and estimate page, we require a pre-payment of all disbursements (third party fees) plus 50% of funeral director's fees prior to the date of the funeral, or full payment upfront (depending on funeral choice).

If the pre-payment is not received three days prior to the funeral taking place, the funeral may be cancelled or postponed.

Making payment on and for a funeral account to us, we accept:

- Debit or credit card (American Express not accepted)
- Cheques to be made payable to: Trevor E. W. Hickton Limited
- Cash
- Bank transfer (BACS)
 - o Account name: Trevor E.W. Hickton Limited
 - o Sort Code: 30-90-88
 - o Account No: 19005268
- Payment direct from deceased's bank account or solicitors dealing with estate
- Funeral finance (application via Funeral Safe Finance)

Payment can be made in full before the funeral date. A £50.00 discount will be applied to the account if this is the chosen option, however this is not applicable to packages where payment is required in full prior to the funeral date. You may wish to make the pre-payment before the funeral, and we will then send over the account with balance 5-7 days after the funeral. We expect payment within 30 days. Below are other options or scenarios which may assist with the account payment.

Department for Work and Pensions (DWP) – Funeral Expenses Payment

The DWP Funeral Expenses Payment is released to us as the funeral director, not the person applying for the payment. The claim can take three weeks or more to be processed.

Please make us aware if you are planning to make a DWP claim for help towards funeral expenses as soon as possible. Depending on each individual circumstance, following a means test they may grant an amount towards the funeral. Being awarded a grant is not guaranteed.

Please note, this is not guaranteed, and we do still require the pre-payment prior to the funeral date. If a DWP grant is being used towards the pre-payment amount, 50% of the balance once the DWP payment has been taken into account will be payable prior to the funeral taking place.

If the Funeral Expenses Payment is received following the funeral taking place, and an overpayment on the account occurs, our client (the signed payee) will receive a reimbursement for the amount in credit.

**A claim to the Department for Work and Pensions (DWP) can be made via telephone and online:
0800 151 2012 or gov.uk/funeral-payments
Or by completing paperwork which is available at your local Job Centre Plus.**

PAYING THE FUNERAL ACCOUNT AND OPTIONS

Insurance policies, solicitors and frozen bank accounts and building societies

We understand that there may be insurance policies in place; we can happily liaise with the insurance company on your behalf if you wish.

Quite often if solicitors are involved, we can send our invoice to the solicitor direct. Please note, a pre-payment is still required. Then, once funds are available, they will at that point send the amount outstanding for the funeral account direct to us.

It is quite common that following the passing of your loved one, their bank accounts may be temporarily frozen. To release funds and close bank accounts, you will need to take the Certified Copy of Entry of Death – known as The Death Certificate – which you will receive from the registrars and take to the bank along with your ID and our invoice. If there are enough funds in the bank account, they should be able to pay us directly.

If your loved one had a Building Society account and the monies in the account are for the funeral payment, it is highly likely they will require an invoice from ourselves (not the written estimate). Once this is received, they will issue a cheque/BACS payment for the amount required. If you wish for an invoice at the same time of the written estimate, please inform us.

Paying the remaining balance of funeral account options

The funeral invoice will be posted or, if requested, emailed to you 5-7 days following the funeral. You then have 30 days to pay the remaining balance, however if the account is in the hands of a solicitor, DWP or any other organisations in which may prolong releasing funds, the 30-day payment term can be lifted.

If there are limited funds for the funeral, we do offer a direct cremation package and a simple basic funeral at a set cost.

Applying for Funeral Safe finance to cover the expenses (a loan to cover the funeral expenses)

Apply online via our website at tewhickton.co.uk/funeral-options/funeral-finance/

You can apply when arranging a funeral with us. Just ask your arranger for Funeral Safe finance options and they can arrange for you to apply online or by phone. The website offers a pre-approval check, which can indicate whether or not you will be granted the loan.

You can use the calculator online and click the 'Apply' button and this will take you through the application. You can also apply over the phone by calling them on 0330 002 0872.

Following a successful application, you will receive a text message and email – this contains your loan agreement. If you are happy with everything in the loan agreement, you can accept it via the email using our electronic signature. This evidence must be shown to us.

Once you have accepted the agreement, your funeral director is notified and the funeral balance is paid directly to your funeral director. You will receive your personal login account details to manage your loan.

Estimates and expenses – Estimates are given in writing and/or verbally at the time of arrangements to an indication of the charges likely to be incurred on the basis of the information and details we know at the date of estimate. While we make every effort to ensure the accuracy of the estimate, the charges are liable to alteration particularly where third parties change their rates or charges. If we have issued an estimate of costs prior to you signing and agreeing to the funeral arrangements contract, we are only obliged to honour the estimate provided on the day of the contract being signed.

We may not know the amount of third-party charges in advance of the funeral, however we will give you a best estimate of such charges on the written estimate. The actual amount of the charges will be detailed and shown in the final account. We do offer a £50.00 discount if the account is paid in full prior to the funeral date. (Bespoke and Client packages only)

If you feel after the initial arrangement and after reading our estimate of costs, you may be unable to afford the funeral arranged, please contact our offices and we shall amend the funeral arrangements to suit you financially or offer a lower cost option. This must be done within four days of receiving our estimate of costs.

2. Who will be responsible for paying the account and who do we take instruct from – You as the signatory and applicant/client are responsible for paying this account, either in person or via solicitor, banks, insurance policies or other methods. You as the signatory and our client take exclusive right to handle the arrangements, you may let us know of other people who can act on your behalf. Any family disputes or concerns have to be dealt with by the family, and we will only deal with our client.

3. DWP Funeral Expenses Grant – If you are making a claim to the DWP for this funeral account (SF200 funeral claim form from Job Centre Plus), you must inform us at the time of making arrangements, or as soon as possible. The DWP is a means-tested grant toward the funeral costings. Ourselves as a company can advise you of the criteria which would potentially make you eligible for the claim, however we cannot be liable if a claim is not granted. The DWP will not pay the full amount of the funeral account, therefore you will be responsible to pay the balance after the funeral grant has been issued, or the balance on the funeral account if no claim has been granted. If a DWP Grant is being used towards the pre-payment amount, 50% of the balance once the DWP payment has been taken into account will be payable prior to the funeral taking place.

4. Advanced pre-payment of disbursements (third party fees) + 50% of funeral director's charges – We will require a pre-payment for services and disbursements in advance of the funeral date, due three working days before the funeral date.

For an attended funeral, this comprises of all the disbursements (third party fees) as well as 50% of our funeral director's fees. We do offer a £50.00 discount if the account is paid in full prior to the funeral date, however this does not apply to packages where the funeral amount is due in full prior to the funeral date.

If a DWP Grant is being used towards the pre-payment amount, 50% of the balance once the DWP payment has been taken into account will be payable prior to the funeral taking place.

For direct option funerals, or a fully inclusive funeral, we do require full payment of the account, due three working days before the funeral date. If a client fails to make payment by the required date, the contract for the provision of the services/funeral will be deemed to be breached and we will not provide those goods and services, the funeral will be postponed. We will only make a new arrangement to provide those services when a full payment for those services is received.

5. Out of borough burial fees and charges – If a burial is requested, full or cremated remains, where the deceased or grave purchaser is classed as 'out of area/borough', we are required to ask for proof of residency at point of arrangement on behalf of the local authority. If we are not provided the correct evidence to provide to the local authority in question, we as a company cannot be held responsible for any additional charges by the local authority which will be passed on to you as the applicant/payee for the funeral.

6. When will the account be sent out and when do we expect payment (credit terms)? – Unless you request otherwise, the funeral account is sent out within 5-7 days of the funeral taking place. We ask for payment of the funeral account within 30 days of receipt of the invoice.

We accept Cheques, Cash, BACS, CHAPS, Credit/Debit Card, Funeral Safe Finance, or other finance products for payment.

We do not accept American Express, PayPal or Digital Currency/Crypto.

8. What if you have problems paying within the 30 days? – This could be due to solicitors, insurance policies or waiting on a decision by the DWP. We fully understand this and if you can let our office know as soon as possible when payment is expected, we can accommodate the situation and allow up to 90 days from the date of funeral for payment to be made. We are unable to wait for Probate to be settled or an estate to be in credit. Any balances due which exceed the 90 days will incur interest being added to the funeral account of 2% per month until payment is made.

9. What if the funeral account cannot be paid or is not paid? – You must contact us as soon as possible to discuss the situation. We offer finance plans with Funeral Safe Financing, where a pre-payment may be required to cover the disbursements before monthly payments can start. This is subject to status of the person/s applying for the loan. Please note all accounts beyond our credit terms will be passed to our debt collection agency Sinclair Goldberg Price Ltd or a small claims court application might be applied for by ourselves directly. All accounts, without exception, will be subject to a surcharge of 15% plus VAT plus our costs to cover the debt recovery. These accounts will also be subject to any legal costs incurred in obtaining settlement. The client hereby consents to the jurisdiction of the Dudley, Birmingham, Sandwell, Wolverhampton, Worcestershire, South Staffs or Solihull County Courts for the resolution of any disputes. All court and collection fees will be added to the final balance.

10. Collecting cremated remains (ashes)? – If any cremated remains (ashes) are to be collected from ourselves, they shall be released to the applicant for the funeral, or via another person to be designated by the applicant with a signed letter. Please refer to our ashes/cremated remains policy document for further information. This can be found on our website.

11. Events outside our control – We cannot be responsible for the performance of any third parties whose services do not form part of our contract with you. These may include, but are not specifically limited to, Crematoria, Councils, Grave Diggers, Ministers, Civil Celebrants, Florists, Printers, Vehicle Hire, Newspapers, Hospitals, Doctors, Coroner, Registrar, International Repatriation Service Providers etc. Neither party shall be liable for any delay in performing, or non-performance of its obligations under the contract if such delay or non-performance is caused by circumstances beyond the reasonable control of either party. Examples of such circumstances include acts of God, war, riots, a need to comply with any law or government order, disease, fire, or extreme adverse weather conditions. Where it is known that an arrangement will not be met, we will attempt to contact you in advance and advise you of alternative arrangements.

13. Social media – All clients are given the option of having a social media obituary notice created and posted to company social media accounts. As a company we cannot take responsibility for derogatory comments or illegal content; we will monitor posts and delete third party input where able, and would encourage clients to make us aware if there are any posts which are inappropriate. We will from time to time share online, compliment or thank you messages, or cards received from our clients. Client and deceased full names will be blanked out in all cases. If you do not wish for yours to be used, if sent, please make a member of staff aware. 14. Order of service sheets/funeral stationery – All orders will be sent to the client for proof-checking, and we require final sign-off ready for print, three working days prior to the funeral date. Any mistakes or changes made after the three-day cut-off date will incur reprint costs to cover all of the order.

15. Coffin/casket sizes, selections and ordering – We work very closely with our chosen coffin and casket suppliers, ensuring the quality and finish is always to our high standards. However, on occasion the manufacturing process can go wrong, and we may not be aware until the item is delivered to us. We will aim to inform a client at the soonest possible moment if there is damage, or a concern with an item. We will always make it our priority to ensure deceased are measured and then the correct sized coffin is ordered to suit their dimensions. Due to the nature of coffins and caskets, they are all handmade to size.

**If you wish the performance of this contract to commence within the cancellation period, you will have signed our arrangement form to give us authority to enable work to commence in agreement with the contract to provide the goods and services associated with the contract.

18. Standards of service (complaints procedure) – At all times we, as a company, endeavour to act professionally, caringly and understandingly at these difficult times during a bereavement. However, in the unfortunate instance where you, as our client, feel that our standards of service were not completely satisfactory to you or your family's needs, and you would wish to make a complaint to resolve the issue, this must be done in writing via post or email to Mr. Ross W. Hickton (ross@tewhickton.co.uk) at the below address no later than three months after the funeral date.

If you have a concern or complaint prior to the date of the funeral, we ask that this is raised immediately for investigation, and hopefully put right before the day of the funeral. We cannot be held responsible for any complaints which could have been addressed prior to the date of the funeral. If you are not happy with the outcome, then you have the right to refer the complaint to SAIF for an independent adjudication. You can contact SAIF by completing their complaints form which is available by contacting them on 0345 230 6777 or by email to standards@saif.org.uk or by visiting the SAIF website saif.org.uk/about-saif/complaints.
